## Competency Based Training and Assessment

Most TAFE courses are delivered according to Competency Based Training and assessment principles. TAFE courses help you gain skills and knowledge that are required aspects of the work performance for your industry. Competency standards set out the skills, knowledge and attitudes required to operate effectively in employment. This includes the ability to perform individual tasks, to manage and respond to contingencies or breakdowns, and deal with the responsibilities of the workplace. As a student you will be assessed against the competency standards set for your course.

## Credit Transfer and Recognition of Prior Learning

As a TAFE student you are able to gain recognition for your existing skills and knowledge no matter where, or how, these were acquired. There are two ways that you can gain this recognition at UB:

### 1. Credit Transfer

Credit Transfer is granted where evidence is provided to show that the same unit of

competency has been successfully passed at the University or another Registered Training Organisation (RTO). Under the principles of mutual recognition the University accepts Australian Qualifications Framework Qualifications and Statements of Attainment issued by other RTOs. Credit will be given in units of competency for which an original, official Certificate or Statement of Attainment is provided.

## 2. Recognition of Prior Learning (RPL)

RPL is the formal acknowledgment of skills, knowledge and competencies, regardless of how and where the learning occurred. It is the process of matching current skills and knowledge against competency standards in a qualification. So if what you have learnt in the workplace, through voluntary work, social or domestic activities, or formal and informal studies is relevant to your course you may gain recognition or RPL for these units.

If you believe you are eligible for RPL or Credit Transfer an application should be lodged with your School before the commencement of teaching. Refer to the RPL/Credit Transfer brochure for further information.

## Learning Resource Centre (Libraries)

The University offers an integrated library service across all campuses. Library collections are located in the EJ Barker Building at the Mt Helen Campus (Ballarat), in the Tippett Learning Resource Centre at the SMB Campus (Ballarat), on the first floor of Building C at the Horsham Campus and at the Stawell Campus. The Library collection includes books, journals, audio-visual material and equipment. Requests can also be made for material held at other campus libraries.

### Services available include:

It is your responsibility to ensure that you are familiar with them, particularly those rules that relate to Entitlement to Borrow, Loan Conditions and General Conduct. You must present your current student ID card each time you borrow library items. Other students or friends should not borrow items on your card.

When you have overdue library items you are unable to borrow, renew or request items. The Library does not charge fines for overdue items; however you will accumulate 1 demerit point on each overdue item each day it is overdue. All students are eligible to become members of the Student Association which is managed by a committee known as the Student Representative Committee (SRC). The Student Association elections are held in March. There are positions at each TAFE campus. They meet on a fortnightly basis (excluding school holidays) to discuss issues and make decisions on the types of events and services the Student Association provide.

If you are interested in becoming involved, look for information around campus, in our magazine (SAUCE) and at the front of the Diary or drop into the Student Association Office. If you like meeting new people, having fun and being involved, please nominate for the SRC and join now!

Student representatives on UB Committees are appointed through the Student Association.
