← **Alternative University Entry Program**

If you didn't do as well as you had hoped in Yr 12 and you want to study at Uni
Or

You're unsure if you could manage the Uni scene after years away from study

Think *FAST*.....

The Foundation Access Studies (FAST) program is designed as an alternative entry course which prepares students for study in a degree level course at the University of Ballarat.

Successful completion of FAST will guarantee a place at the University of Ballarat in a degree courses.

People who have not been selected into a higher education degree course or people who are returning to study can use FAST to develop the skills, attitudes and knowledge to confirm their decision about university study. (Application is made direct to the University).

More information of all of the above courses can be obtained from
